MSRRF GRANT APPLICATION GUIDANCE NOTES FOR INDIVIDUALS

(Please retain for your information)

MS Research and Relief Fund aims to provide support to people affected by MS. This is done in a number of ways i.e. the award of financial grants towards the cost of aids, adaptations, equipment, building works, respite care and holiday costs. Because of the diversity of MS, grants may be wide-ranging according to the needs of individuals.

Grants will be considered for all people with MS, their immediate family or primary unpaid carers.

All sections of the grant application form must be fully completed and applicants must provide quotations and a letter of support from a health or care professional such as an MS Nurse, Social Worker, Occupational Therapist etc.

Applicants in receipt of Income Support, ESA, Pension Credit or who have received funding from the MS Society do not have to complete the Income/ Expenditure section but **MUST** include evidence of the relevant Benefit awarded.

MS Research and Relief Fund recommends that where appropriate, grant applications should be made to relevant statutory bodies before applying to our charity.

When possible the Charity will work with other charities bodies (e.g. the MS Society) in order to contribute towards a package of funding.

All applications will be acknowledged within 20 working days. Grant awards are valid for the period of time outlined in your award letter.
